

Edison Jog-a-thon

Friday, May 12, 2023

9:30-10:30

South Eugene High School Track

Dear Edison Families,

After four years, the Edison jog-a-thon is RETURNING!!! **Join the fun! Run a lap or two with your student.**

The Jog-a-thon provides critical funding for Edison Elementary. The funds support classroom activities, field trips, art supplies and books for the library.

Pit crews needed. Each classroom needs a small support crew to mark lap cards, walk to and from the track, and cheer! Sign up to walk to/from the track with a class using the QR code! Volunteers for marking lap cards and cheering can just show up at the track!

Gather your donations now! This year we are using an online donation site through Eugene Education Foundation linked on the QR code. This allows you to share the link with friends and family via texts and social media. Cash/check donations can be dropped off in the office! This year we are asking for flat donations instead of pledges per lap.

GREEN step for Edison: Water bottles from home.

Please send a personal water bottle to school (labeled with your student's name). We'll fill them up before we head to the track. In doing so, we'll keep **A LOT** of water bottles out of the waste stream. Forgotten water bottles won't slow anyone down; we'll have extras in classrooms.

Run in a Rainbow! We encourage kids to wear their class color (K- red, 1- orange, 2 - yellow, 3 - green, 4 - blue, 5 - purple) somewhere on their body... a hat, shirt, silly socks or something else creative! Wearing a class color is not required, it just adds to the fun!

Thank you for continued support of Edison Elementary.
